- Action Items: need to set dates to receive updates on SCC funded programs
- The following will need to report to the committee: ELL Cohorts, Reading Specialist, Bridge classes. Behavior Support not filled yet, still looking to hire
- Training Date for SCC members-October 20th, October 25th
Chair- October 21st, October 26th. Very helpful for new members
- Training gives information regarding how the SCC funds are raised, distributed and used by the schools.

Word on the Street

- We will change D's & F's for 2 weeks to read INC
- Students will get a chance to improve their grades
- Students need some motivation and encouragement
- We want to give students a chance to know more
- By not doing the work, their percentages will not increase, neither their knowledge
- We are trying to provide the much-needed support for those students who need it

- From a teacher's perspective, it's a better way to teach their students
- It has been a challenging year for our teachers to get students back on track
- Question-can SCC fund any needs that the teachers need to assist with their teaching?
- We have set aside some funds, will need to ask teachers what they need. Can also be funded out of TSSA funds
- Discussions happening on different methods of retaking tests, retaking assignments, working on this progress
- Parents are very supportive in assisting student support

RISE-ASPIRE Tests

- How are these used to benefit school?
- Scores are in one of the SIP goals
- Results: Math-needs improvement; ELA-writing skills needs improvement (does not use benchmark scores; Science-no specifics
- Teachers have used the test grades as part of their class grades
- PreACT-scores have not come in yet but when they do, we will distribute to students during their Advisory class

Adjourn

- Bari Nan motioned to adjourn
- Cassidy seconded the motion
- All present in favor of motion
