Dear Trailside Community,

As we begin the new year, we are off to a great start here at school and having fun with all of the snowfall we have experienced. This past week we have begun our middle of the year testing to include Acadience (K-3) and iReady (K-5). This provides a snapshot of how students are performing at this point in the year and helps guide how we can best serve all of our students. The results from these assessments will either be sent home to you directly or shared with you at parent teacher conferences.

Welcome New Staff

We are fortunate to have new staff members joining us this year.

Please welcome:

- McKenzie Moore - Speech Language Pathologist
- Jack Viere - Special Education Teacher

Upcoming Dates

- January 16 - Martin Luther King Jr. Day - No School
- January 25 - Kindergarten DLI Parent Information Night
- February 6-10 - Elementary Winter Conference Week
- February 20-24 - Winter Break - No School

Please remember to be extra careful if you're using the Basin Rec lot. Trailside is not responsible for plowing or ice melt on the Basin property, and we cannot guarantee that it will be free from ice. Make sure to drive and walk slowly through the area to avoid accidents!

If your student is participating in the **Friday Deer Valley youth ski program**, and you are planning on picking them up early (January 20, 27, February 3, 10, and March 10) please fill out [this survey](#) so we can have students in the office for easier pick up and less class disruption.

Thank you always for being part of our Trailside Community!

Warm Regards,
