

# TRAILSIDE ELEMENTARY SCHOOL

September 12, 2022

Dear Trailside Community,

It was wonderful to see so many families out at the picnic last Friday, thank you to our hard-working PTO volunteers that put together the event. Please read below for important information this week.

## **Weather Changes**

Rain is in the forecast this week, so I wanted to send a quick reminder that we try to keep our students outside for recess as much as possible to get their energy out and play with friends. Please remember to have your child bring layers for rain (or snow when it arrives) and please label all items so we can return them when they are left on the playground.

## **PCEF Beat the Call**

This is the last week of PCEF's BEAT THE CALL! This is a fundraiser to support the Park City Education Foundation (PCEF). They give so much to educators and our school. Here is a [link to all the programs](#) they fund at our school. If you can, [donate here](#) or in an envelope students will bring home.

Schools in the district are competing against each other for the most participation and the winning school will receive \$5,000 for their school's PTO! If you have not donated to PCEF by September 16th you will be called by a cheerful PCHS student during the PCEF Phone-a-thon.

So, Beat the Call and donate with the envelopes that were sent home or online [here](#). If you already donated, you've Beat the Call and your donation will be counted towards your child's school.

## **Acadience Testing Letters**

If your student tested below benchmark for Acadience Reading or Math you will be receiving a mailed letter for notification as required by the State. Detailed scores will be shared by the classroom teacher during Parent Teacher Conference in October.

## **Upcoming Dates**

- Wednesday, October 5 - No School - Yom Kippur
- October 13-14 - No School - Fall Break
- October 17-21 - Elementary Conference Week (however, some teachers may have additional dates/times earlier in October)

Thank you for all you do to support our school and community.

Warm Regards,

Tracy Fike, Principal  
Trailside Elementary School
