

# PCEF EDUCATOR & STUDENT WELLNESS SPEAKER SERIES

**Dr. Rafferty**, a Clinical Assistant Professor at the Warren Alpert Medical School of Brown University, is an attending psychiatrist and pediatrician specializing in the care of adolescents with substance use disorders in the VISTA intensive outpatient co-occurring disorders program at Bradley Hospital. Much more on Dr. Rafferty's extensive bio can be found at [PCEF4kids.org](http://PCEF4kids.org).

## Tripping through Adolescent Substance Abuse and Experimentation: What Parents Need to Know

**FREE  
EVENT!**

Monday, December 5 | 7 pm

**Blair Education Center at Park City Hospital** 900 Round Valley Dr.

The next speaker in the Park City Education Foundation's Educator and Student Wellness Speaker Series, pediatrician and child psychiatrist **Dr. Jason Rafferty**, will address what parents need to know about substances teens are using or being exposed to.

### Parents will learn:

- The underlying reasons for adolescent substance use.
- Risks to be aware of.
- How to talk to your children about it.

Parents will also be given resources for more information—and ways to seek help for their teen, if necessary. Translation service will be provided.

**WELLNESS IS AN ESSENTIAL SUBJECT.** It's why PCEF created the **Educator & Student Wellness Initiative**.

The initiative is fully dedicated to the support of educators & students—beyond pure academics. Because fostering more wellness leads to more teacher and student success. To support this initiative, please scan the code:
