A PersD with a Disability-Dany person who has a physical or mental impairment which substantially limits one or more major life activities, has a record of such impairment, or is regarded as having such an impairment.

Physical or Mental Impairment-(a) any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive, digestive, genitor-urinary; hemic and lymphatic; skin; and endocrine; or (b) any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities.

Major Life Activities-functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working.

Record of Impairment-having a history of, or have been classified (or misclassified) as having a mental or physical impairment that substantially limits one or more major life activities.

Disability-Schools and agencies participating in federal nutrition programs <u>must</u> comply with requests for special dietary meals and any adaptive equipment with a documented disability and completed request form.

Non-disability-Schools and agencies participating in federal nutrition programs **may** comply with requests for nondisabling medical conditions. Accommodations will be made on a case-by-case basis. However, if accommodations are made for a specific medical condition, complete requests for the same medical condition must be accommodated. **Fluid Milk Substitutions-**Fluid milk substitutions apply to non-disability requests. Schools and agencies participating in federal nutrition program **may** accommodate complete requests with a USDA approved non-milk equivalent. If accommodations are made for one student requesting a fluid milk substitute, accommodations must be made for all students requesting a fluid milk substitute.
