Dear Students, Parents, and Parley's Community,

Welcome back to school! We are excited to host the 2022 Parley's Falcon Fun Run. After completing the race in a limited/modified format last year we are prepared for a fun, energetic, in-person race, WITH parent participation. While it may still look a little different, we hope to achieve all our usual goals: bring the school community together, raise money to fund initiatives and programs at Parley's, and HAVE FUN! This year, students will have the opportunity to earn awards in 2 categories. As you can see below, it's about more than fundraising...It's about school spirit and having fun while giving everyone a chance to win!
