

THE NETWORK

Choice. Variety. Access.

Accessibility that combines the best of all worlds including nation's best independent doctor-owned practices, regional group practices and large national chains. Opticare's is truly the only network of its kind by offering every type of provider, for accessibility that exceeds expectations and offers variety. To top it off, most Opticare plans offer a superior out-of-network indemnity option giving members the option to go anywhere and receive benefits.
