The purpose of the committee search and interview process is to provide a professional, equitable, and unbiased hiring for a position with Park City School District. The integrity of the search and interview process must be based on the highest ethical standards.

If a member of the interview team knows any of the applicants being interviewed outside of the work environment they must disclose the relationship to the hiring supervisor. Members of the search committee/interview team must abide by strict confidentiality with regard to the search/interview process, which includes, but is not limited to, names of applicants, resumes or applications, letters of reference, interview questions, evaluations, or impressions. Search committee/interview team members may not contact references of candidates nor discuss candidates with others outside of those serving on the committee/team.
